

SERIES OVERVIEW

All of us are created in the image of God. Ezer is the Hebrew word that describes woman, it is also the word that describes God in many instances throughout the bible. Ezer means to rescue, to save, to be strong. Women play a powerful role in the Kingdom of God. As we present the history of some significant women in the word of God, we will help our kids make connections between women and the characteristics of God that they carry. We want all believers, boys and girls, to understand the role women are created to play in the church!
